

Social mask:

Sustainable masks with positive social impact

Social masks are hygienic face masks that **can be reused up to 50 times***. They comply with Spanish Government specification **UNE 0065:2020**, issued in April 2020 by the Ministry of Health and the Ministry of Industry, Trade and Tourism and the CWA 17553:2020 and 10% of profits made from their sale will be donated to social impact projects.

- Made from water repellent and micro-droplet repellent fabric that acts as an effective barrier to viruses and bacteria.
- Environmentally friendly: when washed according to CWA 17553:2020 specifications, they can be used up to 50 times without no loss of the fabric's properties. (1)
- Social impact: we allocate 10% of the profits to the various projects launched by Fundació Roure to help society's most disadvantaged families and collectives through the COVID-19 crisis.

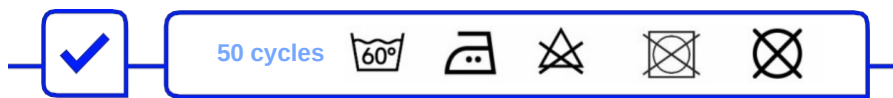

- 80% polyester – 20% polyamide face mask.
- Rubber support straps (70% polyester – 30% elastane).
- Breathable fabric.
- Designed for all-day comfort.
- Adult size 16X22 cm
- Weight approx.14 gr.
- White. Contact us for customised colours.
- Clean hands with an alcohol-based disinfectant. Fit mask over nose and mouth⁽¹⁾.
- Wash after using⁽²⁾.
- The fabric does not guarantee the wearer protection against viruses, bacteria and fungi.
- Made in Portugal.

FULLY COMPLIANT WITH THE UNE 0065:2020 STANDARD and the CWA 17553:2020
